ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The FAA is publishing notice of proposed release of 1.318 acres of land at the Richmond International Airport, Richmond, Virginia to the Henrico County for construction of the widening of Charles City Road. An additional 0.622 Acres will be permanently utilized by Henrico County within utility, and drainage easements. There are no adverse impacts to the Airport and the land is not needed for airport development as shown on the Airport Layout Plan. Fair Market Value of the land has been established. The Airport will benefit from the improvements to Charles City Road with the more efficient intersection at Airport Drive. The east and west bound through lanes and dedicated right and left turn lanes will provide a more efficient entry to the Airport. These intangible benefits will offset the value of the released property.
